

Vitalii Plesnyi

Frontend Developer

<https://portfolio-vitalii.netlify.app>

I'm an enthusiastic and detail-oriented Junior Frontend Developer. Finished a course at KreativStorm, where got an experience of team work and using Git. I write semantic HTML with high accessibility, create user-friendly responsive interfaces, use Bootstrap and Tailwind. Have good knowledge of JavaScript, React, Redux. I'm responsible, a fast learner, and eager to contribute to successful projects within a progressive team.
